

# THE PROFESSIONAL DHL 2-MAN-HANDLING MOUNTING SOLUTION

With DHL 2-Man-Handling, we do more than just deliver your goods right to the location designated by your customers. We also offer professional, ready-to-use assembly, installation or mounting of furniture, consumer electronics, household appliances and recreation equipment – right when the items are delivered.

## YOUR BENEFITS

- Individual delivery times – arranged personally with your customers
- Professional assembly, installation or mounting when items are delivered
- All-inclusive package: Dismantling of old furniture and household appliances as well as the disposal of packaging materials upon request
- Increased revenue – thanks to services perfectly tailored to your customers' requirements
