Explanations

Sheet no./ ICR no.:

If you transmit your orders to Deutsche Post DHL electronically via EDI, the number(s) listed above is/are not the "sheet number" of the relevant order but the "ICR number".

Toll surcharge:

Surcharge due to state levies with direct relation to our transport service, in particular the use of federal highways with heavy commercial vehicles in Germany.

Destination country:

In the column "Destination country" you will find the respective country into which a parcel has been delivered.

Concerning returned parcels ("Retoure") the country is mentioned from which a parcel has been returned.

Surcharge Brexit-Handling:

Required surcharge in case of the leave of the United Kingdom of the customs union for increased handling costs (e.g. at transportation and customs presentation)

Tax-ID:

C1 = Full VAT (19%)

C0 = Tax exempt postal service

EXPLANATIONS

- 1 Summary of all products and services relevant to settlement.
- 2 Orders from previous billing period: with deferred posting, the time of billing may fall in the next billing period.
- 3 Overview of all orders from the current period.
- 4 If shipments have not been announced in the EDI messages, but have been identified in our parcel sorting centers, and if no EDI message is transmitted regarding these shipments within 10 days, production-assisted billing of these shipments will be carried out with the sheet number "000". These shipments are listed individually under "Identified deviations". In the case of a contractually agreed scaled price, we will charge the price of the maximum weight scale for such shipments, in this case "31.5 kg".
- 5 Overview of shipments announced but not handed in. If more than 10 days have elapsed since the posting date specified in the EDI message for a shipment without the shipment being handed in, the shipment will be cancelled in our backlog and will not be invoiced. Therefore, you do not have to provide us with separate notification of cancellation.
- 6 With "Notes", information are given about shipment orders which are not allowed, for example certain services for certain destination countries.
